

PROYECTOS I (Plan 1984)

Profesor: Miguel Ángel Alonso del Val

Profesora asociada: Maite Apezteguía

Ayudantes: Javier Quintana
Ana Morón

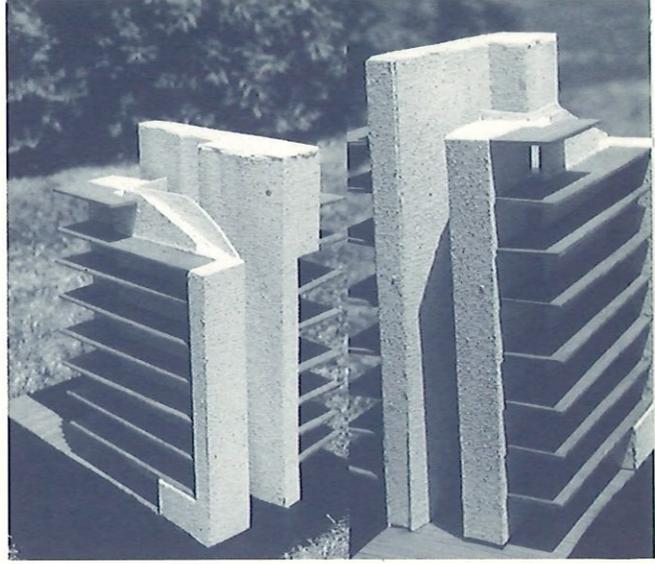

proyectos I (Plan Antiguo) Residencia de graduados. Campus Universitario. Graduate residence. University Campus.

Se trata de proyectar una residencia temporal para graduados o profesores invitados situada en el área contigua a las Torres del Campus de la Universidad de Navarra. El edificio deberá respetar una envolvente volumétrica equivalente a la que se circunscriben Torre I y Torre II, esto es, una superficie en planta de 18 x 14 m., y una altura de 9 plantas (28 m.).

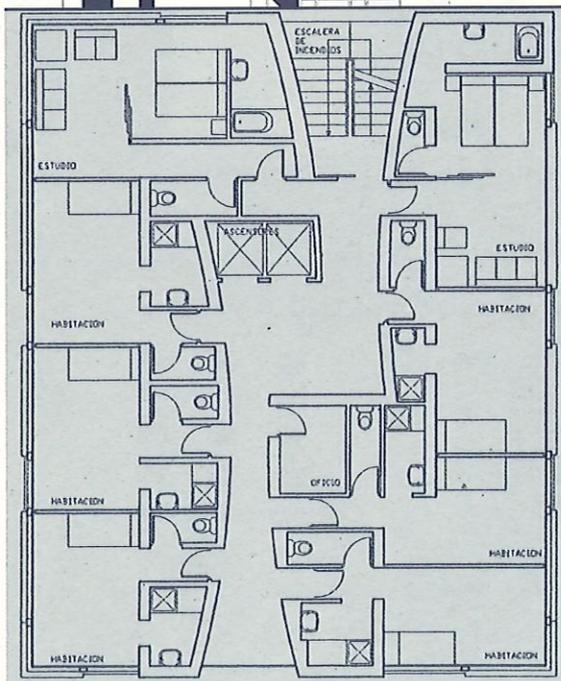

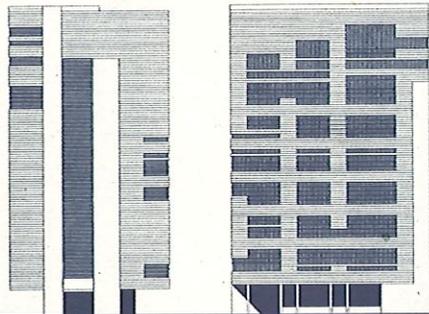

El programa incluye las áreas de residencia (40 habitaciones individuales con baño completo, 12 estudios -habitación, sala y baño completo-, 1 oficio por planta), áreas comunes (vestíbulo, conserjería, despacho de dirección, sala de reuniones, sala de estar, gimnasio con aseos y almacén, aseos), equipamiento técnico (calderas, ascensores y otras instalaciones, almacén general), espacio para las comunicaciones verticales (2 ascensores, 1 escalera de incendios); en el exterior se prevén un acceso rodado y otro peatonal, así como un aparcamiento para 10 vehículos.

A project of a temporary residence for graduates or invited teachers located alongside the 'Torres' in the campus of the University of Navarra. The building will have to be volumetrically equivalent to the existing buildings 'Torre I' and 'Torre II' these have a floor surface of 18 x 14m. and a height of 9 floors (28m.).

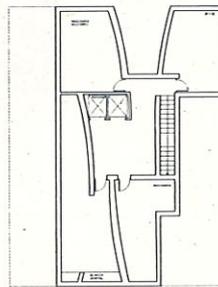

The program includes in the residence areas; 40 individual rooms with complete bathroom, 12 study-rooms, 1 room with complete bathroom (1 on each floor), common areas (foyer, caretaker's space, director's office, meeting room, sitting room, gymnasium with toilets and store, toilets), technical equipment (boilers, elevators and other facilities, general store), space for vertical communications (2 elevators, 1 fire staircase); outside a vehicle access and a pedestrian access, as well as parking for 10 vehicles.

proyectos I (Plan Antiguo) Escuela de Música en Cizur Mayor. Music School in Cizur Mayor.

Se pide un centro profesional de enseñanza de música en el que se impartirán la especialidad de piano y las especialidades instrumentales de cuerda, viento (madera y metal) y percusión. Tendrá un mínimo de 180 puestos escolares.

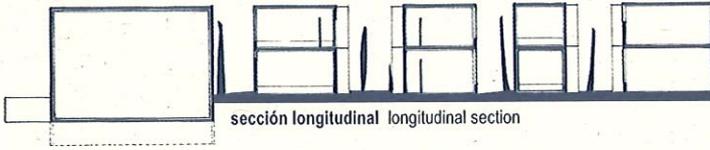

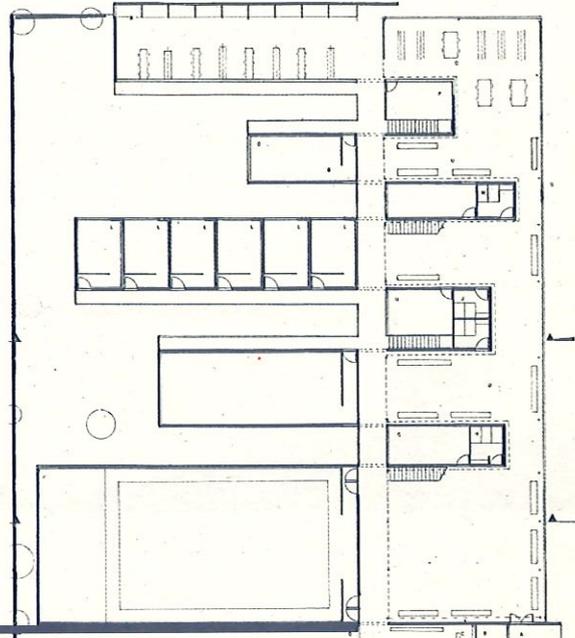

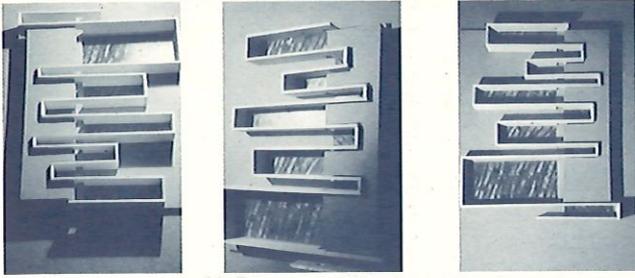

El trabajo incidirá en la relación espacio-tiempo entre la arquitectura y la música.

El programa estará compuesto de un área docente (1 sala polivalente para enseñanza y actividades instrumentales y vocales de conjunto, aulas de enseñanza no instrumental, de música de cámara, enseñanza instrumental individual, biblioteca, videoteca, fonoteca, auditorio con un mínimo de 200 plazas, aseos), un área de dirección y profesorado (sala de profesores, despachos de dirección, secretaría, actividades de orientación y coordinación, aseos), vestíbulo con conserjería, y espacio para equipamiento técnico (sala de calderas e instalaciones, almacén general).

A request for a professional teaching music centre in which will be taught the particularly piano and strings, wind (wood and metal) and percussion. It will have a minimum of 180 scholars.

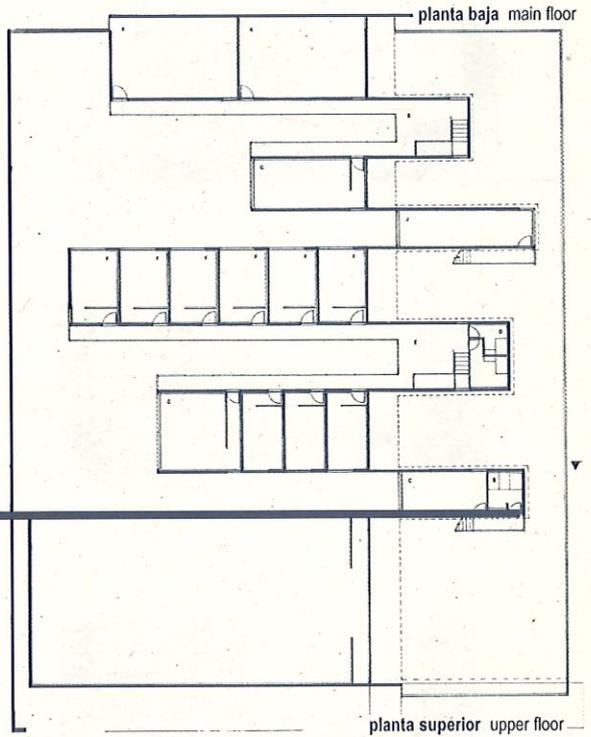

The building should enter in the relationship space-time between architecture and music.

The program will be composed of: an educational area (1 multipurpose room for teaching and for vocal and instrumental group work, teaching classrooms (non-instrumental, chamber music, individual instrumental teaching), library, video library, CD library, auditory with a minimum of 200 seats with toilets, director's office, a teachers room, administration offices, secretary, co-ordination space, activity space with toilets, foyer with caretaker space, and space for technical equipment (boilers and installations room, general store).
